

## Forest Service, USDA

## § 294.49

this subpart; however, no new temporary or forest roads shall be authorized through grazing permits issued after July 3, 2012.

### § 294.47 Modifications and administrative corrections.

Modifications and administrative corrections pursuant to this subpart, after coordination with the State, may be made under the following circumstances:

(a) *Modifications to boundaries.* The Chief of the Forest Service may modify the boundaries of any designated Colorado Roadless Area identified in § 294.49 or add new Colorado Roadless Areas based on changed circumstances. Modifications and additions will be reflected in the set of maps maintained at the national headquarters office of the Forest Service. The construction or reconstruction of a temporary road or tree cutting, sale, or removal will not result in any boundary modification of a Colorado Roadless Area. Public notice with a minimum 90-day comment period will be provided for any proposed Colorado Roadless Area boundary modifications or additions.

(b) *Administrative corrections to boundaries.* The Chief of the Forest Service may issue administrative corrections after public notice and a 30-day comment period. Administrative corrections to the maps of any designated Colorado Roadless Areas identified in § 294.49, including upper tier acres are adjustments to remedy errors such as clerical or improvements in mapping technology. Other than clerical errors, an administrative correction is based on improved field data due to updated imagery, global positioning system data, or other collected field data.

(c) *Amendments to rule language.* Any amendment of this subpart will include coordination with the State and the appropriate level of NEPA analysis. A minimum 90-day comment period will be provided.

### § 294.48 Scope and applicability.

(a) This subpart does not revoke, suspend, or modify any permit, contract, lease, or other legal instrument authorizing or granting rights to the occupancy and use of National Forest system land issued prior to July 3, 2012

nor does it affect the authority or the discretion of the responsible official to reissue any such permit, contract, or other legal instrument upon its expiration or termination.

(b) This subpart does not revoke, suspend, or modify any project or activity decision made prior to July 3, 2012.

(c) The provisions set forth in this subpart provide the maximum level of tree cutting, sale and removal, and road construction and reconstruction activity allowed within Colorado Roadless Areas. Land management plan components can be more restrictive than this subpart and will continue to provide direction and guidance for projects and activities within Colorado Roadless Areas. Nothing in this subpart shall prohibit a responsible official from further restricting activities allowed within Colorado Roadless Areas. This subpart does not compel the amendment or revision of any land management plan.

(d) The prohibitions and restrictions established in this subpart are not subject to reconsideration, revision, or rescission in subsequent project decisions or land management plan amendments or revisions undertaken pursuant to 36 CFR part 219.

(e) Nothing in this subpart waives any applicable requirements regarding site specific environmental analysis, public involvement, consultation with Tribes and other agencies, or compliance with applicable laws.

(f) If any provision in this subpart or its application to any person or to certain circumstances is held to be invalid, the remainder of the regulations in this subpart and their application remain in force.

(g) After July 3, 2012 36 CFR 294.10 through 294.14 shall have no effect within the State of Colorado.
